About This Game

The 2nd World War: Tank clashes, Naval battles, Air combat. In Call of War you rewrite the course of history!

Take over the control of one of the mighty nations during the times of World War 2. Conquer provinces, forge alliances and build up your economy. Research top secret weapons of World War 2 and become the one true superpower! Intelligent alliances or ruthless expansion, wunderwaffen or mass assault? It is up to you which way you choose!

Fans of the board games like "Risk" or "Axis & Allies" will love playing Call of War. Every player can play multiple rounds at the same time to try out new strategies.

FEATURES:

- Up to 100 real opponents per map
- Award-winning game mechanic
- Units which move in real-time
- Many different maps and scenarios
 - Historically accurate troops
- Huge Tech tree with over 120 different units
 - Different terrain types
